DN Homes

Our Story

D. N. Homes Private Limited was incorporated on the 9th day of December 2003 (registered under Companies Act, 1956) and has been redefining lifestyles of people across the state of Odisha ever since. It has gained immense popularity as a specialized and professional group of developers, with a vision of bringing global standards to the State. Counted amongst the fastest growing and trusted brands of Odisha, D. N. Homes has emerged as the most sought-after real estate developer for its ability to consistently deliver premium, top-of-class realty products. The company has been engaged in real estate development for nearly two decades as a result of a dream, shared by its visionary founder, Mr. Jagadish Prasad Naik, a qualified engineer and a progressive entrepreneur. Later, Ms. Ratnamala Swain, a qualified architect joined the group and added further fillip to the vision of radically improving lifestyle standards of citizens by innovating world-class real estate and hospitality Solutions, adopting new-age methodologies.

With foundations anchored solidly in technical expertise, entrepreneurial skills and financial stability, the Company's accomplishments are empowering and nurturing lifestyles, thereby raising the bar in real estate development, touching new heights with foresight and innovations for future requirements of the State and country. At DN Homes, we focus on customer delight and take pride in our ability to maximize available resources to offer the best possible solutions to our customers. The Company has been able to achieve this by investing strongly in expertise, hiring top professionals and domain experts, constantly upgrading technical expertise and expanding its professional network.

Keen to contribute substantially to the education of our children, the DN Foundation for Excellence promoted by the D. N. Group has established the Wisdom Tree Global School, operational since April 2018, with the finest pedagogy and skill building for early learning in eastern India. The first phase of the main K 12 school covering Classes I to V is scheduled to open its gates to young learners in 2020.
